PE Resources	£2,400
<b>Total</b>	<b>£10,375</b>

Action Area	Intended impact	Actual Impact
Havering Sports Collective.	<p>Increase opportunities for all pupils to take part in level 1 2 and 3 competitions.</p> <p>Wider variety of sports participation</p> <p>Support for PE Coordinator</p> <p>CPD opportunities for PE Coordinator</p> <p>Opportunities to develop sports leadership and reporting on events with school games crew.</p>	<p>This year we contributed in a greater number of inter and intra competitions. These included: basketball, football, athletics, penathlon events, boccia etc</p> <p>PE coordinator having a wide range of support, and CPD opportunities to enhance P.E delivery in school</p> <p>Students provided with the opportunity to attend competitions in a variety of ways from team captains to competition reporters.</p>
ETC MUGA maintenance	To continue to keep the MUGA in good condition	<p>This resource has been a huge success since its implementation in 2011. It has improved the quality of the PE provision and helped to increase the participation of PE due to its all year round use.</p> <p>Keeping this resource in tip-top condition means that this will continue to have ongoing impact for pupils each year.</p>
Whizz Kids breakfast and after school clubs	<p>Enhance and improve skills taught in P.E Sport lessons.</p> <p>To develop social interaction through sport. To encourage less active pupils and provide an opportunity to take part in sport in a different environment/group</p>	<p>The pupils have enjoyed developing their skills while improving their social interaction behaviours.</p> <p>Some targeted pupils attended the clubs voluntarily where they had previously been less active.</p>

		More pupils taking part in 3 plus hours of physical activity.
PE Resources	Improve resources to enhance the delivery of P.E and Sport	<p>New equipment of better quality and greater numbers of equipment have ensure that pupils are kept active for longer periods.</p> <p>Better quality equipment has helped to develop the more able children to refine their skills. Particularly in athletics.</p>

This Year's Sports Premium funding has enabled the school to further improve and sustain the current quality of delivery through PE and Sport. Greater involvement in physical activity has had a positive impact on the pupil's fitness, confidence, social skills and health and well-being.

Pupils have enjoyed a wide range of competition opportunities to take part in and the variety has been beneficial to encourage and include all pupils at different levels.
