£20,050

Action Area	Intended impact	Actual Impact
Havering Sports Collective.	<p>Increase opportunities for all pupils to take part in level 1 2 and 3 competitions.</p> <p>Wider variety of sports participation</p> <p>Support for PE Coordinator</p> <p>CPD opportunities for PE Coordinator</p> <p>Opportunities to develop sports leadership and reporting on events with school games crew.</p>	<p>This year we continued to sustain contribution in a number of inter and intra competitions. These included: basketball, football, athletics, pentathlon, Cross country ,Swimming Galas, and netball events</p> <p>PE coordinator having a wide range of support, and CPD opportunities to enhance P.E delivery in school. Further development opportunities for whole staff CPD.</p> <p>Students provided with the opportunity to attend competitions in a variety of ways from team captains to competition reporters.</p>
ETC MUGA maintenance	To continue to keep the MUGA in good condition	<p>This resource has been a huge success since its implementation in 2011. It has improved the quality of the PE provision and helped to increase the participation of PE due to its all year round use.</p> <p>Keeping this resource in tip-top condition means that this will continue to have ongoing impact for pupils each year.</p>
Playground resurfacing and makings	To resurface the school Playground to provide a safe and more suitable surface in which children can play, exercise and partake in Physical education and sport.	<p>New surface completed during Summer holidays 2019.</p> <p>Surface much improved. Safer more useable surface for play and physical education.</p>

	<p>Enhance the use of the space and include markings to develop independent health and well-being activities during playtimes and lunchtimes</p>	<p>Fewer accidents recorded due to smoother surface.</p> <p>Enhanced delivery of Physical education lessons and after school activities, Eg Netball.</p> <p>Play and sport markings including; daily mile track and grids to be completed April 2020 once surface oils have subsided and markings can adhere.</p>
--	--	---

This Year's Sports Premium funding has enabled the school to further improve and sustain the current quality of delivery through PE and Sport. The resurfacing of the playground has had a positive impact on the improved implementation of physical education and encouraged more children to join the netball club and afterschool activities. This has had a positive impact on the pupil's fitness, confidence, social skills and health and well-being.
