Monday 24th January 2022

Dear Parents/Guardians,

E-safety, which is taught to all pupils as part of the curriculum, teaches the children how to stay safe and behave appropriately online.

We value the partnership we have with you as parents and carers and by working together we can ensure we are keeping our children safe online and that the e-safety message is consistent.

We understand how difficult it is to monitor your child online and understand the dangers through online gaming and social media. Therefore, in order to support you at home, we have arranged a virtual e-safety Zoom meeting, on Tuesday 1st March 2022 between 6:00pm - 7:00pm, for parents and carers.

The session will be facilitated by Dave Smith, Senior Inspector and Online Safety adviser for Havering Local Authority's School Improvement Services. The meeting will focus on issues facing children online, ways to engage with your children to keep them safe – as well as signposting where you can go for support and advice.

The Zoom code for the meeting will be sent out nearer the time.

We strongly urge you to make every attempt to attend this important meeting.

Yours sincerely,

Miss S Ledwith and Miss A Sussex

Computing Co-ordinators

Please complete the details below and return this reply slip if you wish to attend the e-safety meeting on Tuesday 1st March 2022 between 6:00pm - 7:00pm.

I _____ (*printed name*) parent/carer of _____

_____ in class _____

will be attending the e-safety meeting.
