Year 4 RE Food Tasting

Dear Parents and Guardians,

As part of the RE curriculum in year 4, we are teaching children about Judaism. We have looked at different religious beliefs and celebrations which are important to this faith. As part of learning about Passover, we would like to share some of the foods that are eaten over this festival.

Children will only need to try the foods of their choosing so can decide which foods they want to try.

As part of this unit, we are going to be tasting:

- Matzah - Wheat Flour and Water
- Parsley
- Romaine lettuce
- Charoset – apples, honey, cinnamon and red grape juice
- Horseradish

Please only inform the school if you DO NOT wish your child to participate.

Kind regards

Year 4 Teachers
