CAD Team Parent Workshop

Dear Parents/Carers,

We have been incredibly lucky to secure a visit from Laura Williams, an Advisory Teacher for Speech, Language and Social Communications for the CAD Team in Havering.

The CAD Team supports schools to develop children and young people. They also work in schools and colleges where they advise about inclusive practice for individual children and young people following assessment. In addition, the CAD Team visit the Havering children and young people with an Education, Health and Care plan who are educated outside London Borough of Havering to advise about their further development and transitional periods. Their focus is on the most vulnerable children and young people with the most complex needs.

Laura Williams will be holding a workshop for parents focusing on the graduated approach and what support the CAD Team can provide to schools at each stage, to develop parental understanding of the support available to schools.

This will be taking place on Friday 6th October from 09.30-10.30 am in the Key Stage 2 Hall.

Please complete the form below to inform us if you are able to attend this event.

Yours sincerely,

Mrs K Leach
Deputy Headteacher/ SENDCO

Mrs M Bateman
Assistant Headteacher/ SENDCO
