The swinging 60's

Air guitar- The children had a fantastic choreographed routine. They swapped places simultaneously giving the effect of a dance routine - all while playing an air guitar. Never missed a note!

The swinging 60's

The Twist - The most popular dance! The main aim was to focus on twisting their body while maintaining composed to create the dance move. They threw themselves into it and had great fun at the same time. Incredible dancers!

The swinging 60's

The Hand Jive

Probably the most difficult dance to learn in a short time due to the quick changing of hand motions. It was surprising how quickly some of them picked it up. They were naturals!
